How our diverse expertise &  
leadership support the bid for REIPPP

The background of the slide features a photograph of a construction worker wearing a white shirt, orange vest, and hard hat, standing on the edge of a light-colored corrugated metal roof. He is holding a coiled black cable or hose. The sky is clear and blue. The image is partially obscured by several large, semi-transparent grey circles of varying sizes.

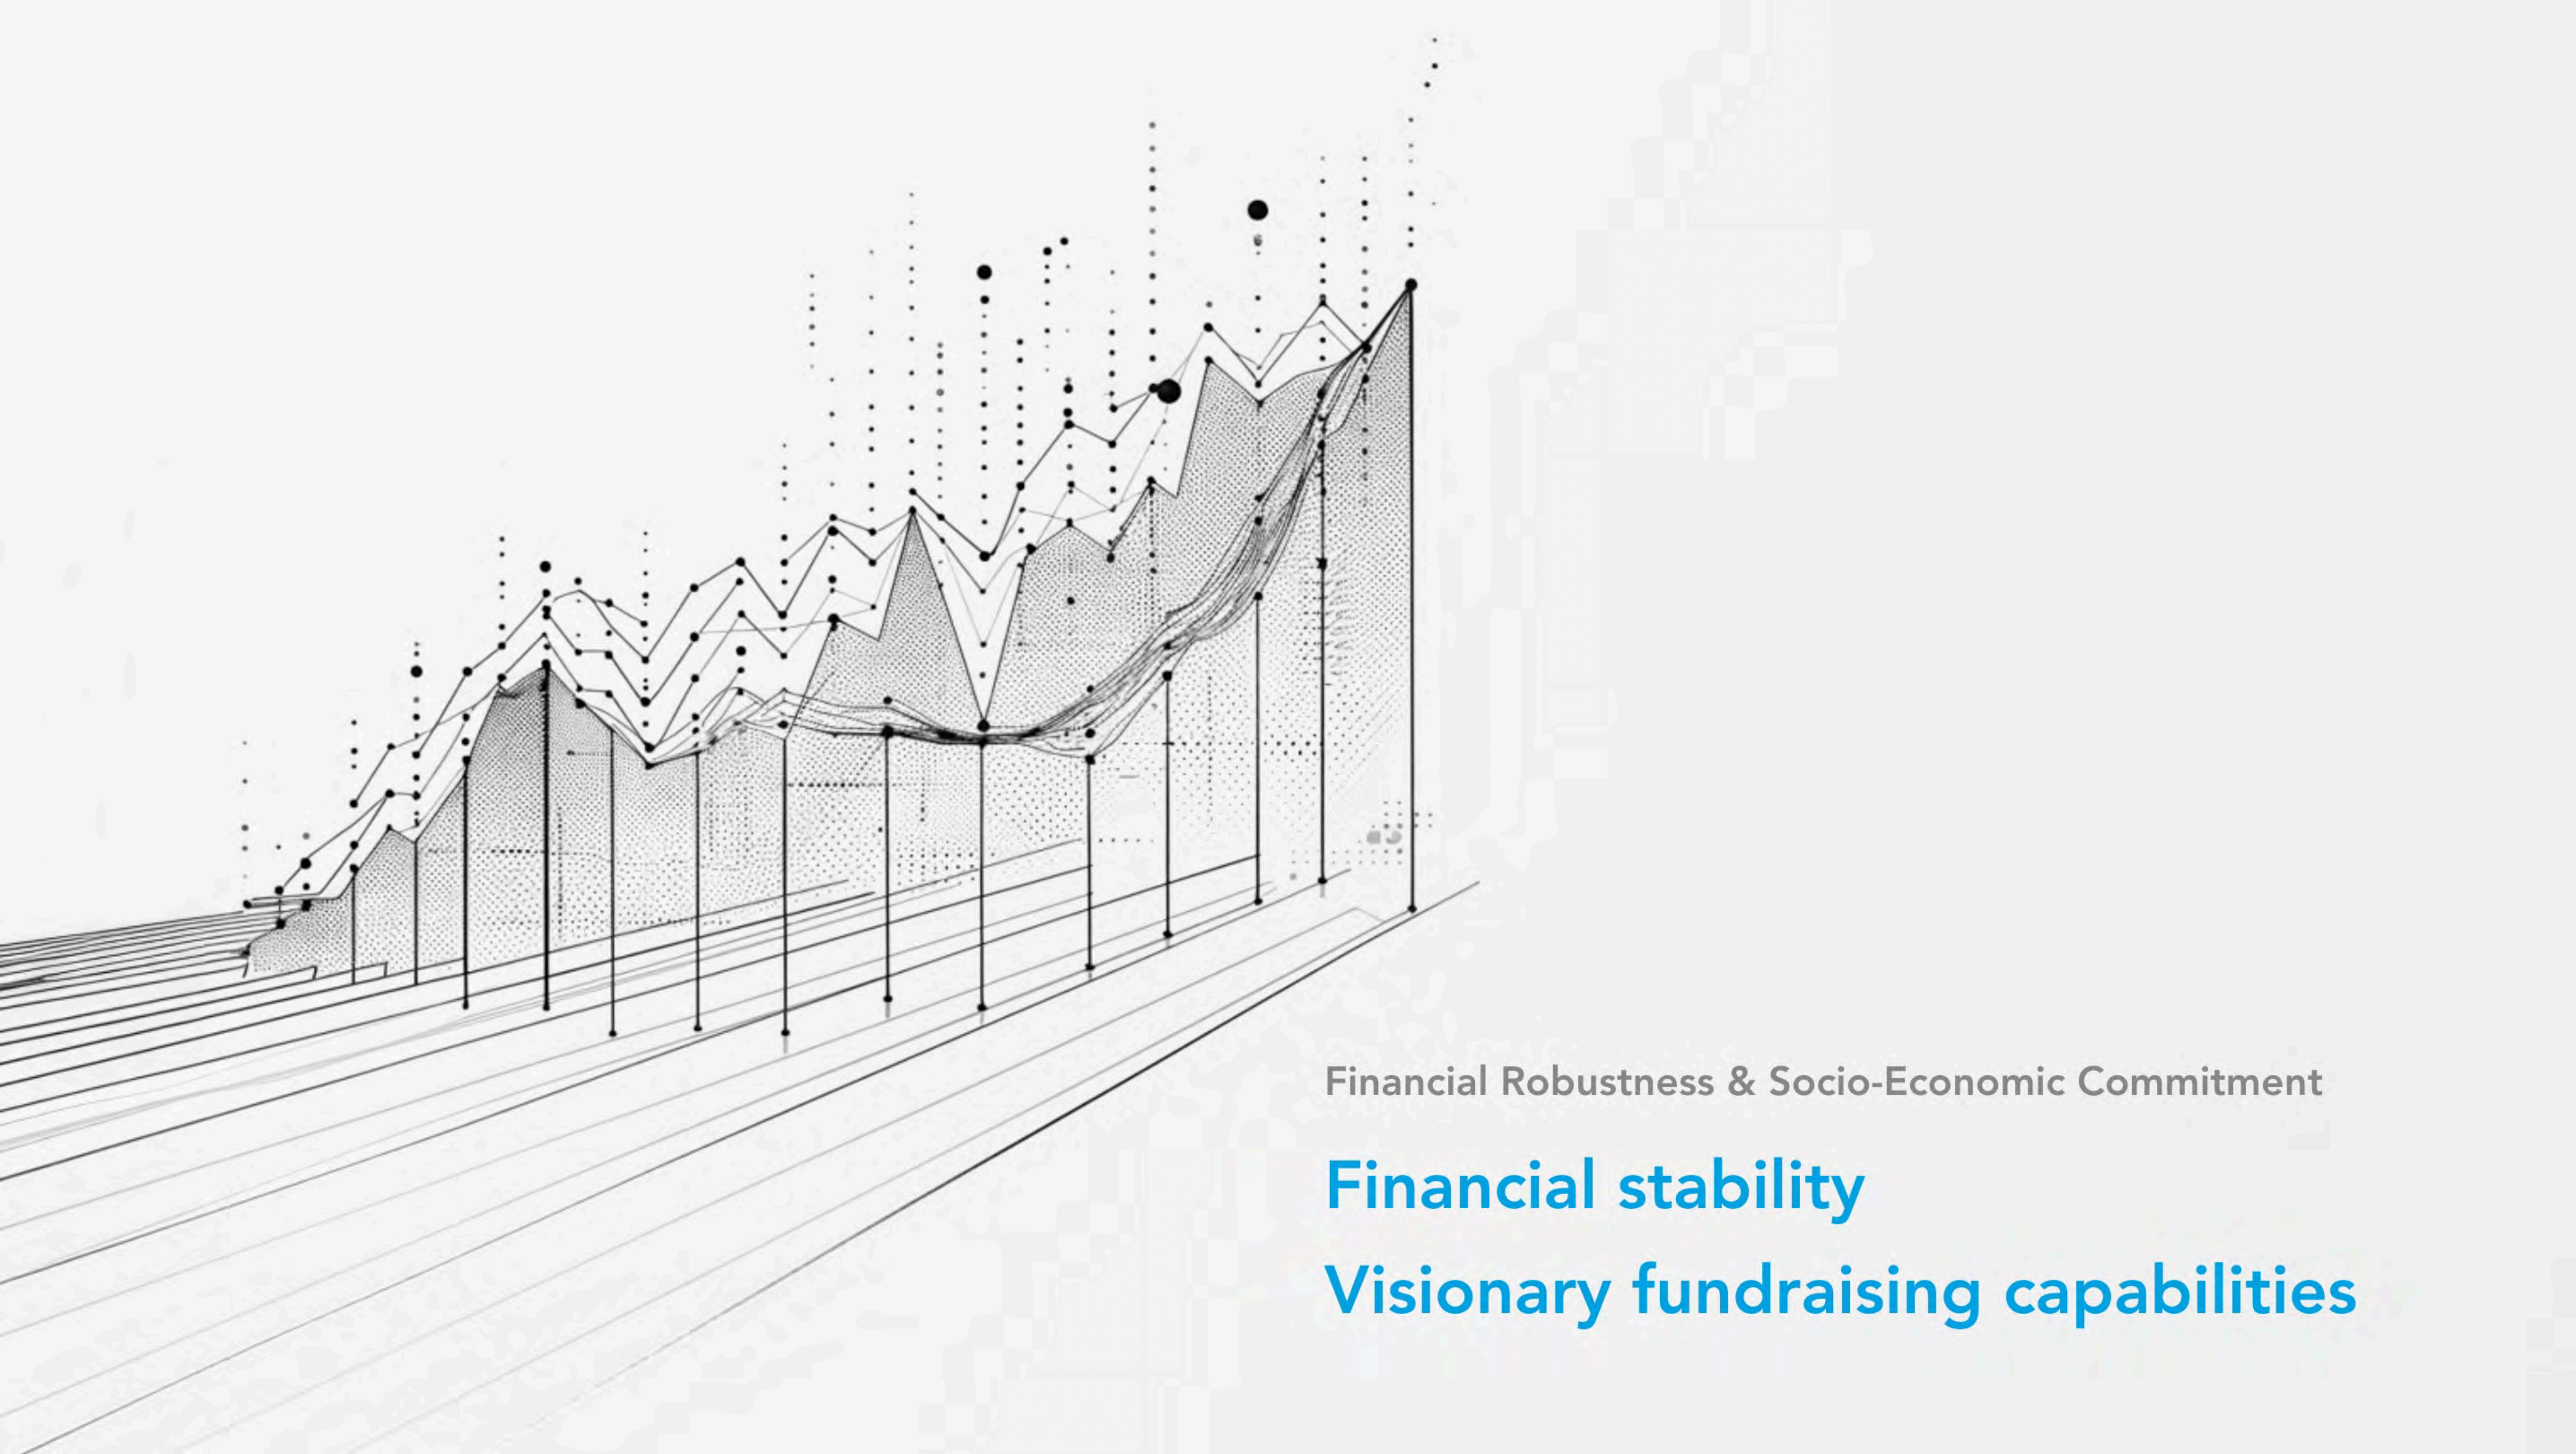

Alignment with the REIPPP's value for money criteria.

**Socio-economic development**  
**Job creation**  
**Environmental Sustainability**

Ensuring readiness for the  
**Scheduled Commercial Operation Date.**

Addressing recent updates in REIPPPP criteria  
with **SunSol's adaptable and resilient project  
management approach.**
